

THE BROKER'S TABLE

FREE STARTER

Your First Family Money *Meeting*

Run your family's first money conversation tonight, in fifteen minutes.

DO THIS TONIGHT

The 15-minute ritual.

Pick a calm time (Sunday after dinner works). Grab three jars per child, labeled Give, Save, Spend. Then run these four simple beats:

- 1 Gratitude (2 min)**
Each person names one thing they are thankful for. Start from abundance, not fear.
- 2 The Talk (6 min)**
This week's idea: "When we get money, we give some, save some, and spend some."
Let the kids move the coins into jars.
- 3 The Trackers (5 min)**
Update each child's jars. Celebrate any progress toward a goal, out loud.
- 4 The Blessing (2 min)**
Close with a short prayer or word of encouragement over the family's goals. End on hope, every time.

"Train up a child in the way he should go; even when he is old he will not depart from it."
